CARELESSNESS

Often Causes No End of Suffering.

Probably half the people who see this article suffer from Piles. It is one of the mmonest diseases and one of the most obstinute. People have it for years and just because it is not immediately fatal they neglect it. Carelessness causes no end of suffering. Carelesaness about so simple a thing as plies has often caused death. Hemmorhages occur during surgi-

cal treatment, often causing death.
Piles are simple in the beginning and easily cured. They can be cured even in the worst stages without pain or loss of blood, quickly, surely and completely. There is only one remedy that will do it-Pyramid Pile Cure.

It allays the inflammation immediately beals the irritated surface and with continued treatment reduces the swelling and puts the membranes into good, sound, healthy condition. The cure is thorough and permanent. Druggists sell the Pyramid Pile Cure at 50 cents. Send for Free book on cause and cure of Piles by addressing Pyramid Co., Marshall, Mich.

The body was placed on board and taken to Swinburne Island. It was there placed in a retort and Dr. Doty himself lighted the firse which cremated the remains.
